**Orders to Military Commanders to Disregard Sherman's Armistice.**

WAR DEPARTMENT,
WASHINGTON, April 27—8:30 P. M.

To Major General Dix:

The Department has received the following dispatch from Major General Halleck, commanding the military division of the James. General Canby and Thomas were instructed some days ago that Sherman's arrangement with Johnston was disapproved by the President, and they were ordered to Raleigh to Sherman's aid, and push the enemy to an early decision.

Secretary of War.

HALLECK'S DISPATCH.

RICHMOND, VA., April 26—2:30 P. M.

To Hon. E. M. Stanton, Secretary of War:

Booth, Atzerodt and Wright are now in custody. Booth was overtaken by a party under command of General Baker, and refused to surrender on the ground that Sherman's agreement would not allow our command such acts as others. They were directed to such terms, regardless of orders from any one, except Gen. Grant, and not of Johnston's retreat.

Surrogate has telegraphed to Danville that a new arrangement has been made with Sherman, and that the instructions of the 24th were to be suspended until further orders. I have also stopped back to other an ordered Sherman, but to push forward as rapidly as possible.

The bankers here have information to-day that Jeff. Davis' people is moving south from Goldsboro in wagons, "fast as possible." I suggest that cavalry be telegraphed through Gen. Thomas, that Wynne, Kelley, Andrew Johnson and Governor Brownlow require the change. We have no cavalry except Wilson's, and his command will require two days to get ready. I am satisfied that Wilson will push on Thursday, if they regret the fact, they feel that extreme measures require the change. We have no information to tell the exact position of Jeff. Davis, but I believe that Wynne is right in supposing that Thomas and Stoneman will join the party of the war, and prosecution of the war.

Here is another applicant for liberal terms in the Southwest. Dick Taylor wants to surrender his command and sell out stock if a satisfactory price is offered. He will be thrilled to whatever terms are offered, satisfactory to Philadelphia is getting to be a hot place for sympathizers. Our dispatches detail the excitement occasioned upon the Inquirer office, and evinces her likes and dislikes in that direction in no uncertain manner.

### FROM SPRINGFIELD.

**Arrival of the Funeral Change—Cars—Preparation of Arrangements.**

Special Dispatch to the Chicago Tribune.]

SPRINGFIELD, April 27.

Day for the final obsequies of our late Pres- ident have been changed to Thursday. The reasons for the change will be announced as follows:

Governor Oglesby, the Committee of Arrangements, and the Committee on Escort, have been informed by the Secretary of War, and therefore correspondingly with the Illinois delegation accompany the corpse. The answers received have been such as to render it necessary that the time of the funeral should be changed, or they regret the fact, they feel that circumstances require the change. We have been informed to tell the people that the President will take leave on Thursday, and that the procession will start at 10 o'clock A. M. on that day.

Hence, this change of time will conflict with the movements of many who intend to be present on the occasion. Have therefore united

Lieutenant General Grant issued an order to-day ordering the headquarters of every department commander to be established at the most central point in the department. The order does not affect the headquarters of Major Generals Sheridan, Sherman, Thomas, Canby and Meade, nor those of Brevet Major Generals Terry, Gibbon, Ord and Wright. Major General Augur is ordered to Washington to command the Department of Washington, and Major General Hancock to Baltimore to command the Middle Department.

Major General Howard has been ordered to Washington to report to the Secretary of War.

### FROM INDIANAPOLIS.

**Preparations for Reception of the Remains—Military Escort.**

Special Dispatch to the Chicago Tribune.]

INDIANAPOLIS, April 27.

Arrangements for the reception of the body of President Lincoln are progressing rapidly. The Governor has issued a proclamation requesting the people to meet and worship the State at Indiana. M., and will move to the depot, where the remains will be received by the military escort and committee of reception, and escorted to the State House, where they will lie in state until 2 o'clock P. M., when they will be taken to Oakland Cemetery for interment.

### FROM OTTAWA.

Ottawa, Ill., April 27.—The Post-master of this place received a letter from Washington, dated April 25, stating that the body of President Lincoln would arrive at Chicago on Thursday, and would be brought to Ottawa on the Illinois Central Railroad, and would be here on Friday morning. The exercises of the reception will be under the auspices of the Masonic fraternity, and will be conducted with appropriate ceremonies. The procession will form at the depot, and proceed to the Court House square, where the remains will lie in state for a few hours. The procession will then proceed to the cemetery, where the remains will be deposited in the vault. The procession will be escorted by the military, and will be accompanied by the Masonic fraternity, and the Knights Templar. The procession will be one of the largest ever witnessed in this city. The people are making preparations to receive the remains in a befitting manner.

## THE CITY.

### SCENES IN RICHMOND.

**The Opera House on Sunday Night.**

Rev. W. W. Patton, D. D., just returned from a visit to Richmond, Va., will give an account of his visit to that city, visits and scenes under the auspices, with the working of the Sanitary Commission there, in the New Opera House, on Monday evening next. Dr. Patton delivered his lecture last Sabbath evening in his own church, which was not large enough to hold one-third of those who sought admission. Citizens of all denominations are invited to take seats on the parquette, dress circle and second tier of boxes. Additional seats will be provided. Members of the parties wishing tickets for distribution among their friends, may procure them after noon to-day at the rooms of the Sanitary Commission, No. 93 Madison street.

"THE ASSASSINATION" of the President, its causes and consequences," at Metropolitan Hall to-night.

SANITARY FAIR.—The Friends of Progress will hold a meeting at the Gallery Rooms, No. 66 Madison street, on Friday afternoon, at 3 o'clock, April 28th. A full attendance is requested.

A THIN TAPPER CLIMAX.—William Reiter, a lad about fourteen years of age, was caught by a Mr. Wright, a saloon keeper in the West Division, in the act of abstracting money from his drawer. The boy was turned over to Commissioner Williams, of the Reform School.

THE LAST EVENING POSTPONED.—In consequence of the inclement weather of last evening, the Sabbath School of the Second Universalist Church will engage in their entertainment to-night. Tickets will be issued at the door. Doors open at 7 o'clock. Exercises to commence at 8 o'clock evening. An unusually interesting programme will be given.

FATAL ACCIDENT.—John Winterling, a lad seven years old, was killed by the horse cars on Fifth avenue, near Fifth street, on Saturday afternoon. He was playing with other boys on the Fort Wayne and Chicago Railroad Company's track when the cars passed. Tuesday evening, the boy was returning from school at the time of the sad accident. He is the son of a soldier.

SCHOOL EXHIBITION.—A school exhibition is to be given at the school house at Junction Grove on the North Island Railroad, this evening for the benefit of Sergeant Smith recently furloughed to be held in this city. Major Organization have been made to this end. Sergeant Smith is the only member of our citizens who attended. A concert and parade will close the entertainment.

LUTHERAN ENTERTAINMENT—SANITARY FAIR.—This evening, at 7½ o'clock, will be given for the benefit of the Ger. Lutheran Depot connected with the Sanitary Fair, at Bryan Hall, using Geo. C. Bates, Esq., will deliver a lecture on "The Assassination of the President and Its Consequences." Mrs. W. H. G. Sommer will recite an original poem, and the "Arion Quartette" will support the entertainment.

BREAKING A WIDOW.—While in an intoxicated state, Thomas Drace went into Mr. John Welch's restaurant, on Clark street, on Wednesday afternoon, and commenced abusing the clerks. For this he was ejected, but soon after returned and tried to go in again, and on this being denied from the ticket in the window, doing damage to the extent of $15. At the Police Court yesterday morning he was fined $10 and costs.

AN HONEST BOY.—Egbert Hosford, son of Maj. Hosford, Commissary at Camp Douglas, found a pocket book, on Wednesday, containing over $5,000 in greenbacks and drafts. Upon finding certain papers in the pocket book, he discovered the owner, and returned to him his property, refusing to accept a reward. Master Egbert is an honest act. Such conduct is worthy of all praise.

MASS MEETING OF THE LADIES.—A general meeting of the ladies will be held in the lecture room of the Methodist Church, Methodist Church Block, corner of Clark and Washington streets, this afternoon at 3o'clock, to make definite arrangements for the Sanitary Fair, on Monday next. Ladies from the North Division Fair Association are requested to be present. A full attendance is requested as the premises for the dessert will be decided upon at that time.

THE SPANISH LAUREAT.—Delight's Spanish Lateral for theatre is creating quite a furore in our fashionable circles, where it is regarded as the sine plus ultra for toilet use. We refer, as a proof of this to a few of the very many certificates received, published in this issue; other certificates will be published shortly. We notice that orders are coming in from all parts of the country since the proprietor has made arrangements with Messrs. Leaf & Co., No. 56 Lake street, Chicago, to supply the trade.

MATINEE AT BRYAN HALL THIS AFTERNOON.—The Sabbath School of the Second Universalist Church will, by request, give a Matinee this afternoon at Bryan Hall. The hall will be dark-ened, and the entertainment will be given by gas. Admission to the matinee will be equal to any of those given in the evening. The hour of admission twenty-five cents. The performance will commence at half-past two precisely. Ladies and children are particularly invited.

LLOYD HOUSE.—Messrs. Lloyd & Harley have leased for a term of years the large and commodious hotel situated on Clark street, and formerly known as the Forest House, thoroughly repaired and refitted the same, and will open it under the name of the Lloyd House, on the first day of May. The house has been well furnished, and it is the intention of the proprietors to make it a favorite resort. Persons visiting Chicago will find the Lloyd an excellent house, and the landlord will have made themselves popular at the end of quarter, and there is little doubt that they will be equally successful in the future as they have of late.

FOWLER'S ANNUAL MACHINE.—Many of our business men have been fortunate enough to see it, and after due and careful consideration, concluded that it was just what was claimed for it, and ordered one on the spot. Others may come and do likewise. Messrs. H. R. Kipp & Co. are the agents for Illinois and Iowa, having purchased the rights of them. They are now prepared to fill orders, and dispose of county rights, to all who may wish to share in the sale of the machine. Office at 121 South Clark street, corner of Monroe.

PURE WINES.—We would call the attention of all good judges of wine, and lovers of the pure article, to the advertisement of Messrs. Schmidt & Greene, No. 49 North Clark street, to our first page. These gentlemen sell the Longworth Catawba Wine, raised on their own vineyards in Ohio, and made in the very best style, equal to any foreign wines. It is highly recommended and must be appreciated; for we will remove all the objection to its original cost, and the "Union Quartette" will support the entertainment.
